## ICCM LEAN Event - Data Collection

January 10, 2018

- 1. Please provide a copy of the reporting form with all data fields or a screenshot of the online reporting form with all data fields and a weblink to the form.
- 2. Please list all data fields on the form and note data field types if possible.
  - a. List which data fields are required vs optional.
  - b. List which data fields are considered PII, CBI, or otherwise sensitive data?
    - i. Which of these data fields are exempt under the Public Records Act? Explain why the data fields are exempt.
    - ii. Which of these data fields may not be viewed by other agencies or are otherwise restricted? Explain why the data fields are exempt.
  - c. If a data field is a drop-down list of values, what is the data source of those values (ie. List of chemicals)
- 3. What is the technology behind the form (i.e. electronic PDF, web application form, other)?
- 4. Is the user required to log in to submit form?
- 5. How frequently does the user have to enter data in to your system (annually, monthly, etc)?
- 6. What is the technology used to store and manage the data (i.e. excel, access, vendor provided database, custom application created by your IT staff)?
  - a. If it is a vendor provided database or custom application, what is the specific technology/development language?
- 7. Does your system perform any automated analysis or calculations of the data that is entered into system? If so, please describe.
- 8. What types of reports or data outputs are generated from your system?
  - a. Which of these reports or data outputs are required? Explain the specific requirements and the source of the requirements.
  - b. What format is the report or data in (word, PDF, excel, csv, other)?

- c. Whose is the audience or stakeholders of the reports or data exports/data transmissions from your system?
- 9. Does this data populate an external or other internal agency databases?
- 10. Is the public able to access the data directly from your system (i.e. web access vs. records request for information?
- 11. Do you have a system that collects fees?
  - a. If so, describe the system.
  - b. Does your system use a payment provider? If so, who?
  - c. How often are fees collected?
